Instructions to Reviewers:

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Instructions for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

Best Available Copy

35 USC 181 (a) provides that any invention or discovery which is not a patentable subject matter under the laws of the United States shall not be patented in the United States. This section applies to inventions or discoveries which are not patentable under the laws of the United States, but which are patentable under the laws of a foreign country. The application will be reviewed for patentability under the laws of the United States. If the application is found to be patentable under the laws of the United States, the application will be granted a patent. If the application is found to be not patentable under the laws of the United States, the application will be refused. The application will be reviewed for patentability under the laws of the United States. If the application is found to be patentable under the laws of the United States, the application will be granted a patent. If the application is found to be not patentable under the laws of the United States, the application will be refused.
